What is "The Burn at the Barre™" Workout?

Based on a fusion of Pilates and classic barre techniques, we have created an efficient and safe program that focuses on proper form. It is the perfect blend of deep muscle toning with resistance, the grace of ballet, the flexibility of yoga, and the core strengthening of Pilates.

What Are the "The Burn at the Barre™" Level I & II Workouts?

Level I is a structured, easy-to-follow pre-choreographed 55-minute class routine designed in a specific sequence to burn fat and build strength and stamina through intervals of sprint and recovery. We achieve deep muscle toning with weights, balls, barre and floor work along with intervals of fat-blasting cardio segments with NO impact! We incorporate flexibility to keep those muscles long and lean. No dance experience is required to sculpt your body with this class! All levels are possible with the interchangeable blocks in this class.

Level II we dial up the intensity and add more advanced variations in a 55-minute class with weights, and bands, longer barre work segments and floor work along with intervals of fat-blasting cardio segments with NO impact! We incorporate flexibility and core for the more advanced clients.
